

Introducing our exciting next summer program ...

## **“Meghan’s Place, Live!”**

Fun, interactive, live class you can attend either in your own home or at Meghan’s Place!

Hello Friends, and welcome to “Meghan’s Place, Live!”(MPL). While we have many friends who are able and ready to attend on-site activities, we also have friends who are unable to travel or attend classes in person, especially during the current health situation. To meet the needs of all of our interested members, Meghan’s Place is offering a new, virtual summer activities program! **MPL is available for all of our members**, both on-site and virtually (via a secure Internet link), during the 2020 summer months (June, July and August).

“Meghan’s Place, Live!” class choices:

- **Fit With Friends**  
Are you an exercise or nutrition buff? Or do you need someone to help you get moving?! Sign up for “Fit with Friends,” a super fun exercise class taught by either Joe or Kristi! These professional fitness instructors are easy-going, friendly and will help you to stay healthy by being active through new, fun exercises!
- **Gentle Chair Yoga**  
Need to slow down the pace a little bit? Join Allie, Pastor and licensed instructor, in a gentle, seated yoga practice, focused on deep breathing and stretching. This class is centered on listening to your body.
- **Art Club**  
Is art your passion? Our awesome friend and art specialist Sandy will teach you how to create some beautiful arts and crafts!
